The Swim Team program at Lake Lackawanna has been growing since it began in the summer of 2001, and will continue to grow in the years to come. The Lackawanna Swim Team competes in the Walkkill Valley Swim Conference. For the past four years we have been able to host our own swim meets, which help in raising funds for the team.

To ensure a successful swim season, parental commitment is essential. Both home and away meets require a huge parental effort and ensure an excellent swimming experience for swimmers. Parent(s) of swimmers are very important to the Swim Team and the team will need their help to ensure an excellent swim season. Timing, stroke judging, finish judging, scoring work, and concessions are all rewarding volunteer positions, and none restrict you from being able to see your child swim. There will be a parents meeting after registration where the Swim Team will provide parents with all the information they need to make this year a success. Thanks and we look forward to seeing you in the spring!

Sincerely,
The Lake Lackawanna Swim Team
