Saturday, September 27, the Lake Lackawanna Investment Company held a dance at the Clubhouse which was attended by 75 people. Money raised at the event is scheduled for repairs to the Clubhouse. BETTY VOGEL supervised the preparation of snacks by wives of the directors. BOB and PAT POTH and DOLORES HOLLY did the decorating. Many door prizes were given, with the BOYLES, the SULLIVANS, the NEIL SPEERS, and the DENNENS among the recipients.

There was much cooperation among Lake Lackawanna's organizations for this dance. The Ladies Club purchased a large number of tickets, and the Community Association donated a bicycle for a raffle prize. The JIM HOLLY family won the bicycle and the JOE JENUS family won the 1970 membership offered by the Investment Company.

GLENN WARD of Lackawanna Drive is Civil Defense Director for Byram Township, with JIM WILSON of Richmond Road as assistant director. Men and women are needed to help with the program. Get in touch with either of the above or with SID DEITER, chief of Civil Defense Police, for more information.

OLD NEWS BUT GOOD NEWS! Our summer recreation program went over without a hitch and provided good times for many children this summer. Directors VINCE and DIANE DENNEN did a good job, and want to thank all those who helped them accomplish it.

On Gala Day the following winners of trophies were announced:

SMALL FRY: 1st place, TOM LARSEN; 2nd, MATTHEW POTH; 3rd, JOHN LARSEN;
Honorable Mentions to NORA KANE and DANNY MATEO.

JUNIORS: 1st, NICK POTH; 2nd, PEGGY SPEER; 3rd, DANNY KANE.

SENIORS: 1st, BILLY RAFFERTY; 2nd, NOEL BIGMOUNTAIN; 3rd, LAURA HOLLY.

Highlights of the summer program included trips to the Land of Make Believe, and Bertrand Island, along with bowling and a beach party. Helpers for these events included DOLLY and JIM HOLLY, PAT POTH, PAT RAFFERTY, BUDDY and CAROL DAYER, ELLEN UTTER, and PAT SPEER.

The Gala Day bicycle and car parade, with the theme CHRISTMAS IN JULY, was brightened with the appearance of LORI and DAVID UTTER on bicycles and the cars decorated by the RAFFERTYS, the LANDGRAFS, and the ARNOLDS. Quite a line of cars and bicycles wended its noisy way around the golfcourse and lake.

Gala Day culminated at the Clubhouse in the evening with the awarding of trophies by the DENNENS and a short talk by JIM HOCKLEY of the Investment Co.

Our teenagers have organized a club with LARRY D'AMICO as president, JAY BACCO the v.p., DENISE STEVENS secretary and ELAINE SCHWARTZ as treasurer. This thriving group sold food on Gala Day as a money-maker, sponsored the Gala Day car parade, and gave their own teen dance with CAROL and KEETO BIGMOUNTAIN as chaperones. The WURZBACHS, the SULLIVANS and the POTHs have also helped with the use of their yards, etc. The Teen Club intends to continue meeting during the wintertime.
