

~~1976~~  
1977

Dear Residents,

The Lake Lackawanna Community Association is an organization designed to improve the quality of life for all the residents of the lake.

For some reason, which you yourself know best, you decided not to join the Community Association during 1976. We wanted you to know that we missed you. There's no question that we all would have enjoyed ourselves more if you had been a part of at least some of the things we did. Such as:

- Kids Easter Party
- A Fabulous Luau dinner & dance
- Kids Fishing Contest
- A Spring Dance
- Beach Day
- Fifty's Dance
- Gala Day
- Gourmet Delight (it was)
- Kids Halloween Party
- Kids Christmas Party
- New Year's Eve Dance

The Community Association also sponsors the teen clubs and the winter and summer bowling leagues.

That's alot for \$5.00 isn't it? Think how much more we could have done if you had joined and helped.

Now for 1977, the dues have gone all the way up to \$6.00 per year. We hope to have an even better year than 1976, to have even more activities for every age, and we probably will. But there's one way to make sure, and that's by having you with us.

We are not asking you to spend long hours planning a party, or even cleaning up afterwards. Yes, those jobs need done, but somehow, they always get done. What we do need is you, your support, and just an occasional suggestion to help us along.

Please join the Community Association in 1977, by filling out the attached information sheet and returning it along with your dues in the enclosed envelope. You'll be glad you did - and we will too.

Sincerely,

The 80 families who are members  
and plan to join again.
